

# PYP ARTS HUB GROUP

## TERM 3 COLLABORATIVE MEETING

**Wednesday 15 September from 3.45 – 4.45pm**

This Professional Development event will provide an opportunity to share your teaching experiences in the COVID-19 era relating to:

- e-Learning across the Arts learning areas
  - Arts Events
- Face-to-face teaching in the Arts

Please join us to hear about how your fellow Arts Educators have managed, adapted and implemented their plans in response to the needs of 2021.

A range of Arts Hub Group members will share their challenges and successes before we open the conversation to the broader group.

We are looking forward to seeing everyone on the screen!
