Diploma not awarded ^{b, c}			

- a This Combined Rank measure of overall achievement is comparable with the Australian Tertiary Admission Rank (ATAR). This means that a Combined Rank of 92.30 equals an ATAR of 92.30.
- b To be eligible for the award of Diploma of the International Baccalaureate, students must obtain a minimum of 24 points. Up to three bonus points may be awarded for performance in the Extended Essay and Theory of Knowledge. Prior to 1990, it was possible for negative marks to be awarded in these two areas, therefore reducing the total points.
- c If the student is not eligible for the award of the Diploma of the International Baccalaureate, the qualification is not assessed on this schedule. Refer to S9003 for more information on how to assess International Baccalaureate Diploma Program (IBDP) where a candidate has failed to be awarded a Diploma or Bilingual Diploma.
- d International Baccalaureate Admissions Score. IBAS is calculated by ACTAC for candidates awarded with Diploma or Bilingual Diploma in schools in Australia in November 2022 and later exam sessions.
- e Table 1 applies to IB Diplomas and Bilingual Diplomas obtained in schools overseas in any exam session and in schools in Australia prior to the November 2022 exam session.
- f Table 2 applies to IB Diplomas and Bilingual Diplomas obtained in schools in Australia from November 2022 session onwards.

Changed as a result of ACTAC agreement to develop a National Schedule for implementation in UAS08 and reviewed by ACTAC in May 2025.
